Comments: Dear Carol Hanlon.

Please don't use Yucca Mountain as a Nuclear Waste Dummpp. In regards to my fellow Nevadans Health concerns for the future generations of Nevadans.

It will also be dangerous to transport the Nuclear waste to Nevada from other states.

I think that if another state wants to us Nuclear waste let them store it in their own state instead of putting it in our backyard.

I as a Nevadan do not want Nuclear Waste to be Dumped in my Backyard. My backyard is Las Vegas Nevada.

Thank you to let me express my feelings about the Neclear Dump.
